The theme for the 18th year of the ALSRI Golf Club definitely seems to be change - in our membership, board members, tournament venues, tournament policies and tournament fees.

This year we have lost some old members but also are happy to greet some new members as well. Our total membership remains strong at over 100 members. We have also had two board members retire after many years of dedicated service to the US Government - congratulations to Tim and James!

We hope you like the change in some of our tournament venues this year as we continue to strive to "change it up" to give our members a variety of challenges from year to year. In addition, we have changed our tournament policy and fee structure this year to automatically include the \$5 CTP in your registration fee. This enables the board to more efficiently handle running "day of" tournament activities and enables us to more expeditiously pay out the CTP winnings.

And finally, one more board member turned 50 this year - you may even see a picture from my Mardi Gras party in this edition of The Eagle of the board celebrating me joining the "AARP generation"!

Enjoy the tournament at Hansen Dam, and look for registration information in this edition of The Eagle to sign up for our annual Vegas tournament in June!
