Most golfers prepare for disaster. A good golfer prepares for success!

The Oak Valley Golf Course was the third stop on the ALSRI tour for 2001. As predicted, the course did not leave many golfers yelling "who's yo' daddy!" With no golfer from the "C" Flight, and only a few golfers from the "B" Flight able to break 100, Oak Valley has the honor of being the toughest course played on the tour this year.

Individual Flight winners were **Bernard Penafuerte** in the "A" Flight, **Lou Pacho** in the "B" Flight and **George Rey** in the "C" Flight. **Tom Mc Grail** was the winner of the Long Drive. Winners of the closest to the pin contests were: **Alex Banuelos** (#3), **Augusto Rodriguez** (#6), **Tom Mc Grail** (#11), and **Dennis Osaka** (#14). Our next tournament is at Rancho Park Golf course. Please arrive at the course no later than 1 hour before check-in.

The winners are:

"A" Flight

- 1st Place Bernard Penafuerte
- 2nd Place Larry Taylor

3rd Place John Greenwood

"B" Flight

Challenge Corner

It proved to be a very exciting day for the 3rd round of the Survivor Tournament held at San Dimas Canyon GC. The final four teams consisted of Jerry Chang/Alex Wong vs James Nelson/Roger Law and Bryan Inoue/Howard Wu vs Chris Olson/James Rose.

The format was alternate player scoring which meant that a different player was responsible for a designated hole. That player's score would count as the team score. The team with the lowest score was the winner of the match.

The first match of Chang/Wong and Nelson/Law proved to be very exciting. Chang/Wong took an early 2 stroke lead through 3 holes. However, on the 4th hole the team of Nelson/Law decided to use their mulligan (An option whereby a team can flip/flop their chosen scores. They can thank Co-Coordinator Larry Taylor for that idea) and turned a 2 stroke deficit into a 1 stroke lead. From there the team of Nelson/Law maintained a small lead until the 13th hole when Chang/Wong pulled even. It was all even until the 16th hole when Alex Wong hit the shot of the day on the potentially disastrous par 3 over water. Alex struck his shot about 10 feet from the cup and proceeded to make a net birdie. After the 17th hole Chang/Wong held on to a slim one shot lead with the difficult 372 yard par 4 coming up. Jim Nelson played the hole wonderfully with a par 4. Alex Wong again came through with a clutch 10 foot putt for par and the team of Chang/Wong finished with a narrow one stroke lead 74 to 75.

The second match was the team of Bryan Inoue and Howard Wu vs Chris Olson and James Rose. Inoue/Wu took an early 3 stroke lead through 5 holes but Olson/Rose played steadily and took advantage of bad timing on the part of Inoue/Wu and retook a 2 stroke lead after 9 holes. Inoue/Wu tenaciously fought back and pulled even after 12 holes. It was then the team of Olson/Rose kicked their games into overdrive and pulled steadily away and finished with a comfortable 9 stroke lead 69 to 78. The final and consolation matches are scheduled to take place in September tentatively at Sierra Lakes GC in Fontana.

Handicap Notes.....Stan "Ledbetter" Gin

If you played two nine hole courses in a row, even if you played them on different days, you need to post a score. Simply combine the two nine hole totals into an 18 hole score. If, however, you squeezed a regulation 18 hole round in between the two nine hole rounds, then you would not record the two nines.

Remember, you are required

to post your score after each round you play to ensure an accurate handicap index.

Handicap Points of Interest

- Average club index is 19.0
- Most improved golfer for the month of July is Bruce Engles with a 12.1 index. Dennis Murakami was

next with 9.4 and 3rd was Tim Baldwin with 20.1

- Best improvement for their index in the last 12 months is Daylin Faildo with 118.9 A year ago Daylin had a 28.3 index. George Rey was next with an index of 26.0

Inside ALSRI.....Golfnut

(The writings of Golfnut do not reflect the opinions of the editor or the ALSRI Golf Club)

Since **V2** declined to share his newfound ATM source with **Larry Taylor**, Larry has asked ALSRI's elite legal team of **Nelson and Law**, aka: The Practice, to file "Elderly Abuse" charges against **Voodoo V2** after he scammed **Richer "POCWA" Dubois** for \$10 on a friendly golf wager @ Oak Valley. **Voodoo V2's** next victim could be "**Georgio**" **Rey** who ran away with the "C" Flight first place prize @ Oak Valley with a NET 64 despite the fact that he hadn't played competitive golf for four months prior to Oak Valley....While looking for the Oak Valley Golf Course on the 11th of last month, **Richard Sanchez** finally realized that he was lost after reaching the South Rim of the Grand Canyon! Richard, try reading the driving instructions posted on the newsletter next time.... The Ladies Flight is heating up!!! **Shirley Worsham** captured the Ladies Flight prize @ Oak Valley after **Linda Donato** (aka: IRS Karrie Webb) decided to go shopping. Waiting in the wings is **Toshi Walker** from the El Segundo POD. We hope that Toshi will definitely make a real race out of the Ladies Flight rather than a ceremonial crowning event for Linda.... Another V2 story, he decided to forfeit the dinner bet he had with "**Sweet**" **Lou Pacho** at Hunter Ranch. Instead he ended up giving CPR to Lou, who abandoned a pledge to walk the entire course with V2 & Larry Taylor. He ended up receiving the royal treatment from the course

marshal, which including a warm pep talk (Come on, Champ! You can do it!!) and an unexpected cart ride for the last two holes. Lou was supposed to walk the **ENTIRE** course with health buff V2 but lasted only 15 holes. Nice try, not so Sweet!!...Well, has anyone been able to identify any new golfers from our newly hired employees...Our Prez, **Stephen**

George Rey prepares to win the "C" Flight at Oak Valley.

Klotz, is proposing a free ALSRI membership along with a new set of irons to all new members hired from this group. And there won't be any contractual obligation to these selectees if they decide to turn pro after the school instead of joining ALSRI. What a country!!...Help Wanted!!! ALSRI is still looking for our LOGO. To date, we have a few entries from **Rick Sackett and Tim Baldwin**.

Anyone who has any ideas or suggestions, please forward it to Stephen Klotz. We will update you of the logo status in our next newsletter...**Bernie "Els" Penafuerte** has proclaimed he is the ONE not **Stan Gin** who should be listed as **ALSRI's clubmaster**. Bernie enlisted **Brad Ou** and **Stan Teragawa** as his happy customers (Which really means the clubs he made for them are still attached on the shaft after each hit)...After the TriOrg Tournament @ Harding Course last month, **El Monte POD** is officially labeled as "**Home of the Sandbaggers**". At least FOUR known sharks take up residency at El Monte POD. Starting with **Jimmy "The Original" Henson**, El Monte home-turf sharks have grown into a nice pod!! **George "Georgio" Rey** (Mr. Net 64 @ Oak Valley), **Lou "Sweet Shark" Pacho** (Mr. Net 61 at Harding) and the new arrival **Chuck "Slim-Fast Shark" Wong**... Congratulation to our editor, **Tim Baldwin**, who just moved into a new and larger home next to Sierra Lakes Golf Course in Fontana. Tim will have ample opportunity to practice and get rid of his many nickname such as "Road-Killed", "The Range Pro", and "The Institution Bound Golfer".... Members beware, you better watch out the next time Victor comes near you with his video camcorder! He's collecting material for his new video feature, "Alsri's Bloopers & Real Video". So far, the star of the show is "**Slim-Fast**" **Wong**, who has managed to provide many highlight video clips for Victor!! Is it just me, or has **Dennis Murakami** been berry, berry quiet lately.
